1.0 INTRODUCTION

The National Emergency Management Organization (NEMO) has been mandated by the Government of Saint Lucia to prepare the country to respond to and recover from any emergency /disaster impact, which threatens or occurs in Saint Lucia.

This document therefore outlines the policy and standard operating procedures to be followed in the event that Saint Lucia is under WARNING conditions, particularly those posed by the threat of severe weather, tropical storm or hurricane.

2.0 PURPOSE

The purpose is to ensure that a systematic and orderly shutdown of the country is undertaken when there is a national **WARNING** issued by the Director of Meteorological Services.

3.0 OVERALL POLICY

The Government of Saint Lucia will take appropriate action in the interest of public safety to ensure that the population of Saint Lucia and critical personal and national assets are protected from major impacts from severe weather, tropical storms and hurricanes.

National Shutdown Policy

The Government of Saint Lucia through the Chairman of NEMO will issue a **National Shutdown Order** after the National Emergency Management Advisory Committee [NEMAC] recommends that such an order should be issued in the interest of the Country.

4.0 NATIONAL SHUTDOWN STANDARD OPERATING PROCEDURES

In the case of a Storm/Hurricane, the Director of Meteorological Services will issue a severe weather/tropical storm or hurricane warning for Saint Lucia.

Standard Operating Procedures for the determination of the meteorological warnings is laid out in the Met Services Procedures.

5.0 SELECT COMMITTEE

The Chairman of NEMO will convene a meeting of NEMAC, which will discuss the warning and recommend to the Government of Saint Lucia if necessary that a National Shutdown Order should be issued for Saint Lucia.

5.1 Terms of Reference of NEMAC

- a. Review the warning issued by the Director of Meteorological Services.
- b. Consider the recommended strategies and approach to affect a systematic and orderly shutdown of Saint Lucia.

- c. Make recommendation to the Government of Saint Lucia on the nature of the national shutdown.

6.0 GENERAL GUIDELINES FOR NATIONAL SHUTDOWN

In discussing the National Shutdown Procedure, the following should be considered:

- a. Time of Likely Impact – determine daylight hours available.
- b. Extent of likely damage – this will determine the urgency and priority issues.
- c. Existing activity and general conditions in country (workday, weekend, public holiday, etc).
- d. Staggered Approach to Shutdown. [See Section 10]
- e. Segment of population, which will be prioritized in Shutdown.
- f. Strategies and approach for mass media dissemination.

7.0 GENERAL GUIDELINES FOR STAGGERED APPROACH TO NATIONAL SHUTDOWN

The Select Committee may consider the following staggered approach to National Shutdown:

- a. Schools and Day Care Centres should be considered as priority sectors. The Ministry of Education and the Early Childhood Education Unit should therefore be included in the early notification process.
- b. Non-essential operations of the Public Services should be considered as the second priority. Ministry of the Public Service will therefore determine which sections of the public service fall into this category. This sector will close after Permanent Secretaries and Heads of Department have ensured that the departments and ministries' disaster plans for securing of public sector assets have been satisfactorily activated.
- c. Non-essential operations of the Private Sector should be considered for closure along with the closure of the non-essential services of the Public Sector. The Executive Director, Chamber of Commerce after consultation with relevant authorities will request a closure of the private sector based on predetermined procedures.
- d. Ministries and Departments which are part of the **Essential Services (as defined in the Act)** will shut down their operations in accordance with their Standard Operating Procedures (SOPs): for example:
 - i. The Ministry of Transportation will issue a shutdown order for the public transport sector taking into consideration the needs of the traveling public, safety of drivers, security and safety of rolling stock.
 - ii. The Saint Lucia Air and Sea Ports Authority will order the closure of Ports of Entry based on pre-determined procedures.

- iii. The Royal Saint Lucia Police Force will facilitate the smooth movement of traffic exiting the city.
- iv. The Royal Saint Lucia Police Force shall monitor the national shutdown and provide regular updates to the Prime Minister on the status of the national shutdown.

The issuance of a National Shutdown Order shall be in effect for EVERY sector of the island.

Police Ordinance No. 30 of 1965 Part IV Section 22 (1) (h) and (m) shall be in effect. [See Annex 1]

1. The Head of the Public Service shall issue the National Shutdown Order to the Public Service on the instructions of the Prime Minister. The Ministries and Statutory Authorities shall commence shutdown as per Sections 7.1 and 10
2. The Employers Federation, Chamber of Commerce, Chamber of Agriculture and all similar groupings shall commence shutdown as per Sections 7.2 and 10
3. The Saint Lucia Hotel and Tourism Association shall commence shutdown as per Section 10
4. Gatherings of any kind are postponed / cancelled.

7.1 PUBLIC SECTOR SHUTDOWN PROCEDURES

The Permanent Secretary - Public Service will inform all Permanent Secretaries and Heads of Departments of the decision to shutdown the country and its implications for the closure of the public sector.

Permanent Secretaries and Head of Department will invoke Ministry, Office and National Disaster Response plans and procedures which govern the orderly and systematic closedown of ministries and departments which falls under their jurisdiction.

Critical agencies, including the emergency services, should determine the time of closure taking into consideration the following:

- a) The provision of their own disaster plans.
- b) The security and operational procedures of the entity/company.
- c) The welfare of the employees and the need for them to take their domestic precautions, especially those living in remote and flood prone areas.
- d) The critical service, which they provide to the population.

7.2 PRIVATE SECTOR SHUTDOWN PROCEDURES

On the issue of the National Shutdown Order, private sector entities/companies shall close their operation taking into account the following:

- a) The provision of their own disaster plans.
- b) The security and operational procedures of the entity/company.
- c) The welfare of the employees and the need for them to take their domestic precautions, especially those living in remote and flood prone areas.
- d) The operators of public transportation will need to withdraw and secure their vehicles well before the impact. Consequently, staff not essential to the entity/company's disaster plans should be released early, unless private arrangements can be made for transporting staff home safely.

8.0 DEFINITION OF ESSENTIAL SERVICES

8.1 Statutory Definition.

“essential services” means any services listed in Schedule 1;

Schedule 1:

- An undertaking which generates and supplies electricity to the public.
- A public health service.
